Frequency per species

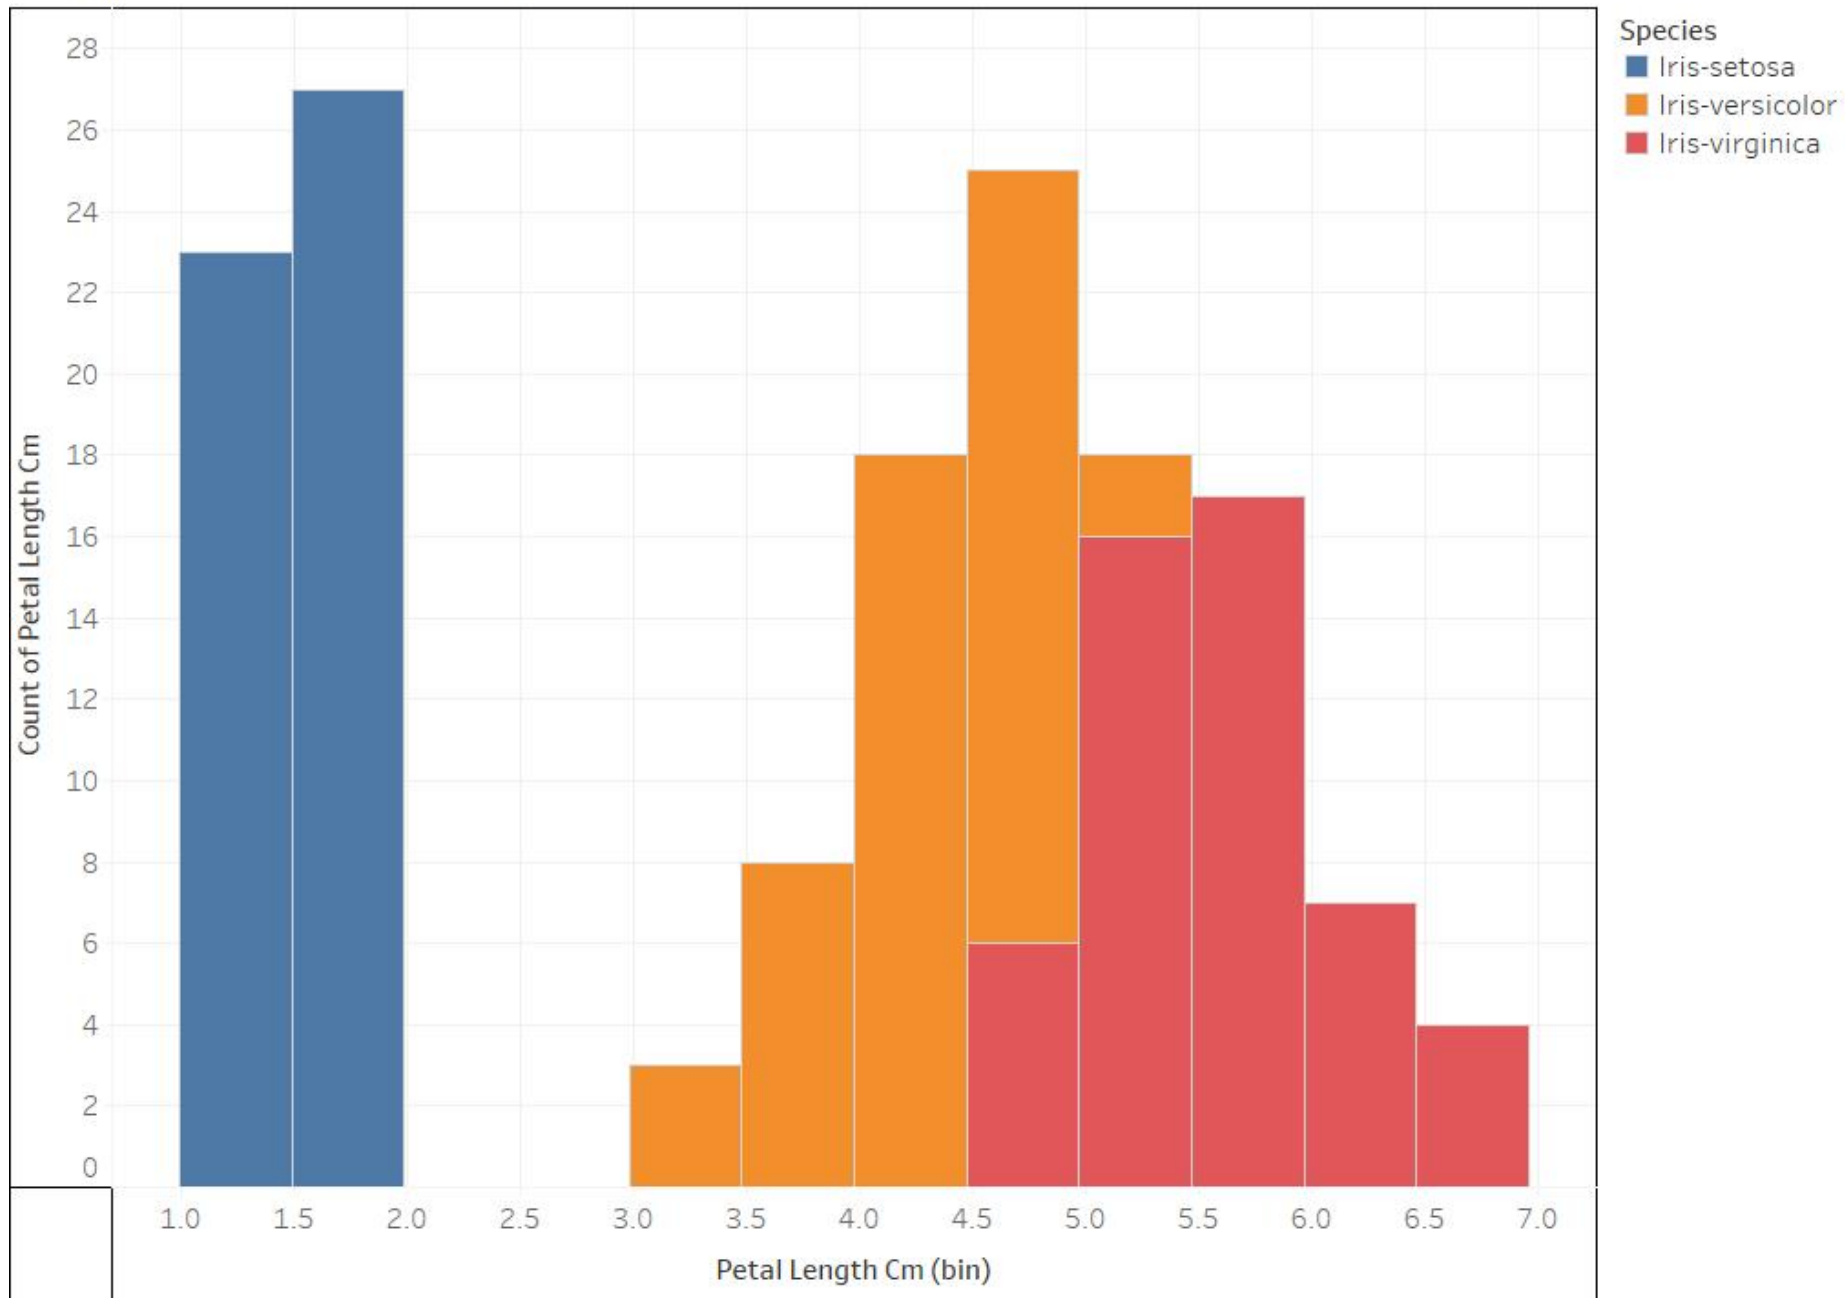

Frequency per species

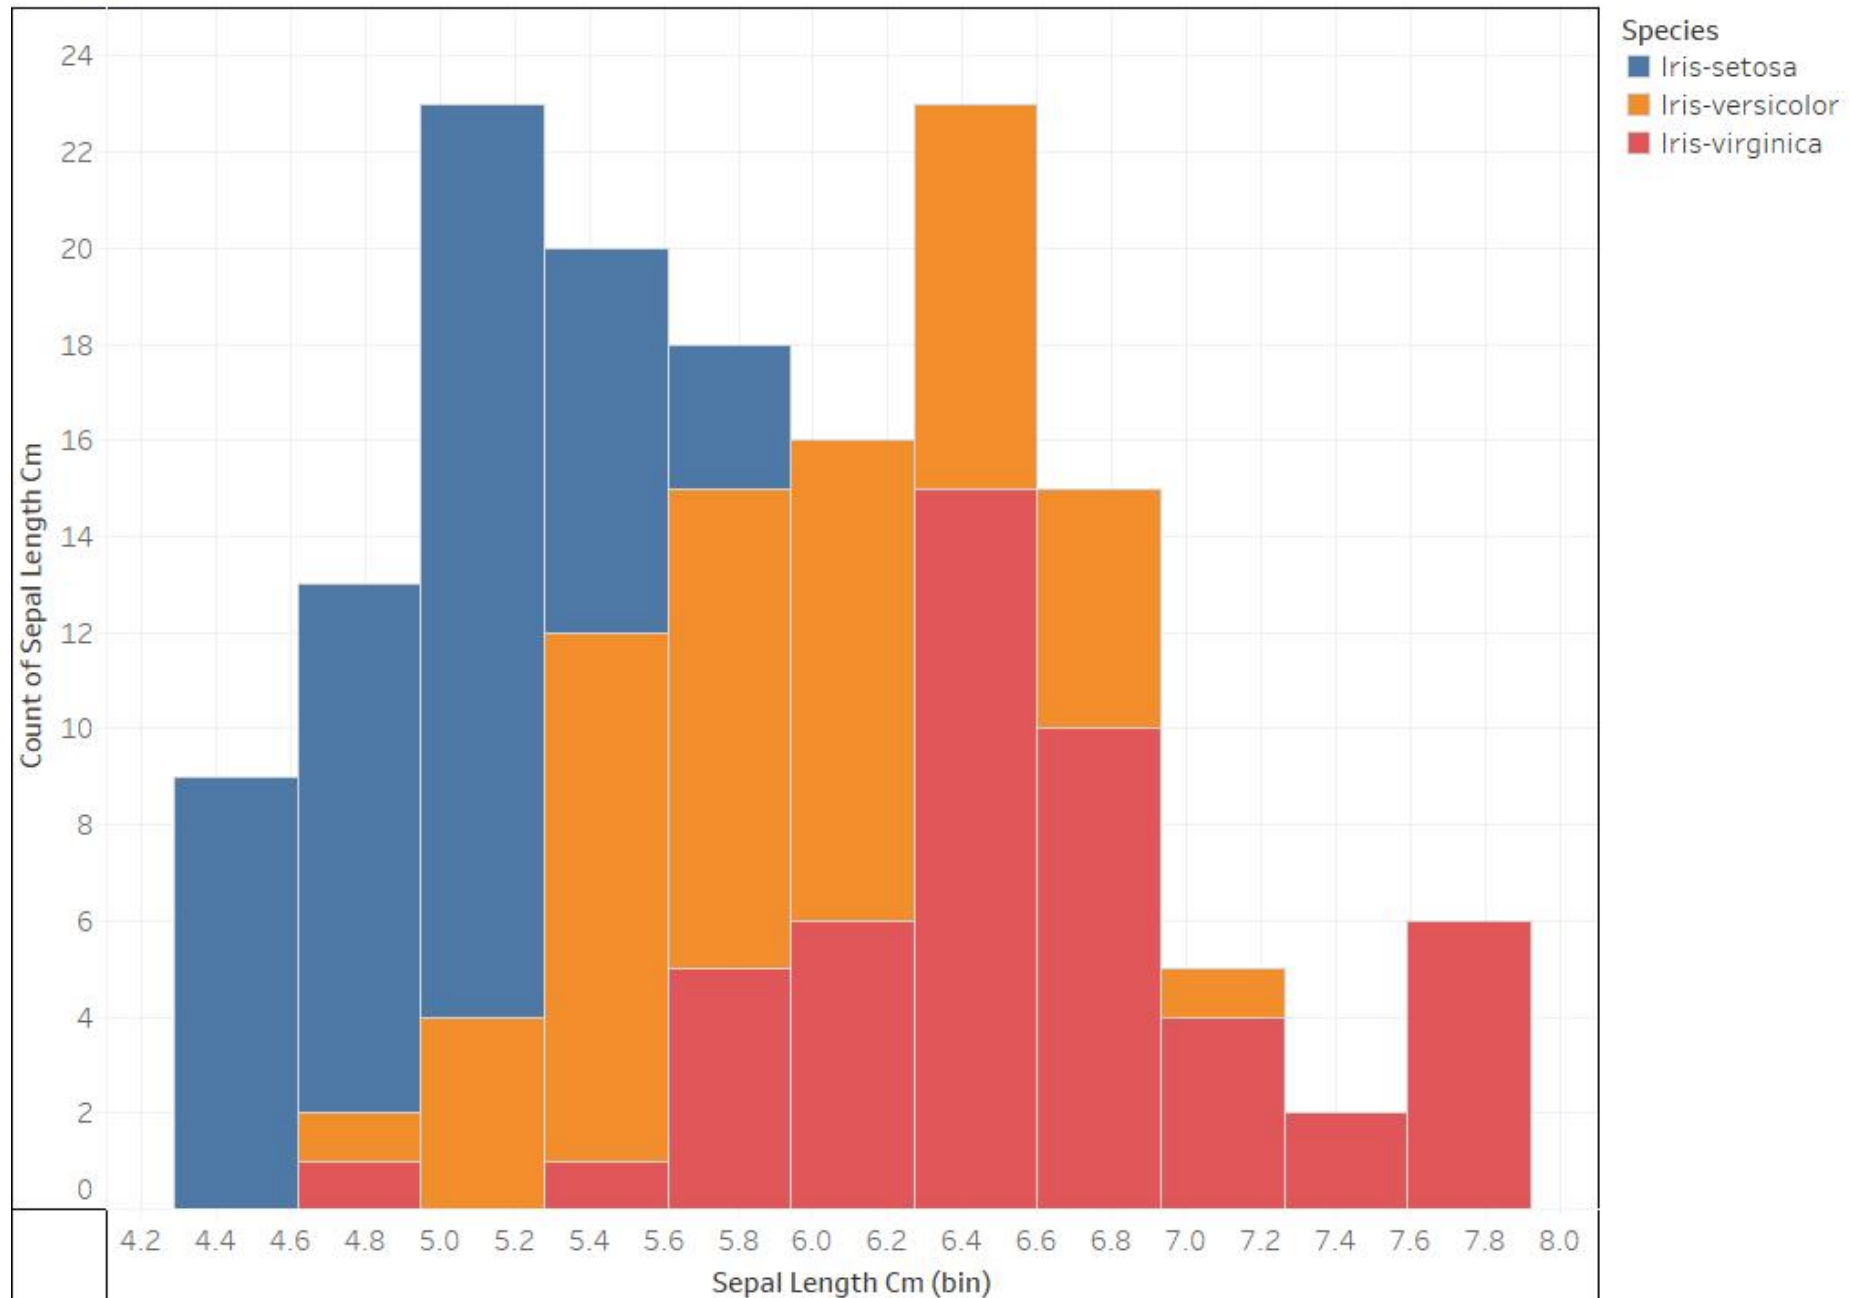

Count of Species for each Species. Color shows details about Species.

Frequency Vs Petal Length

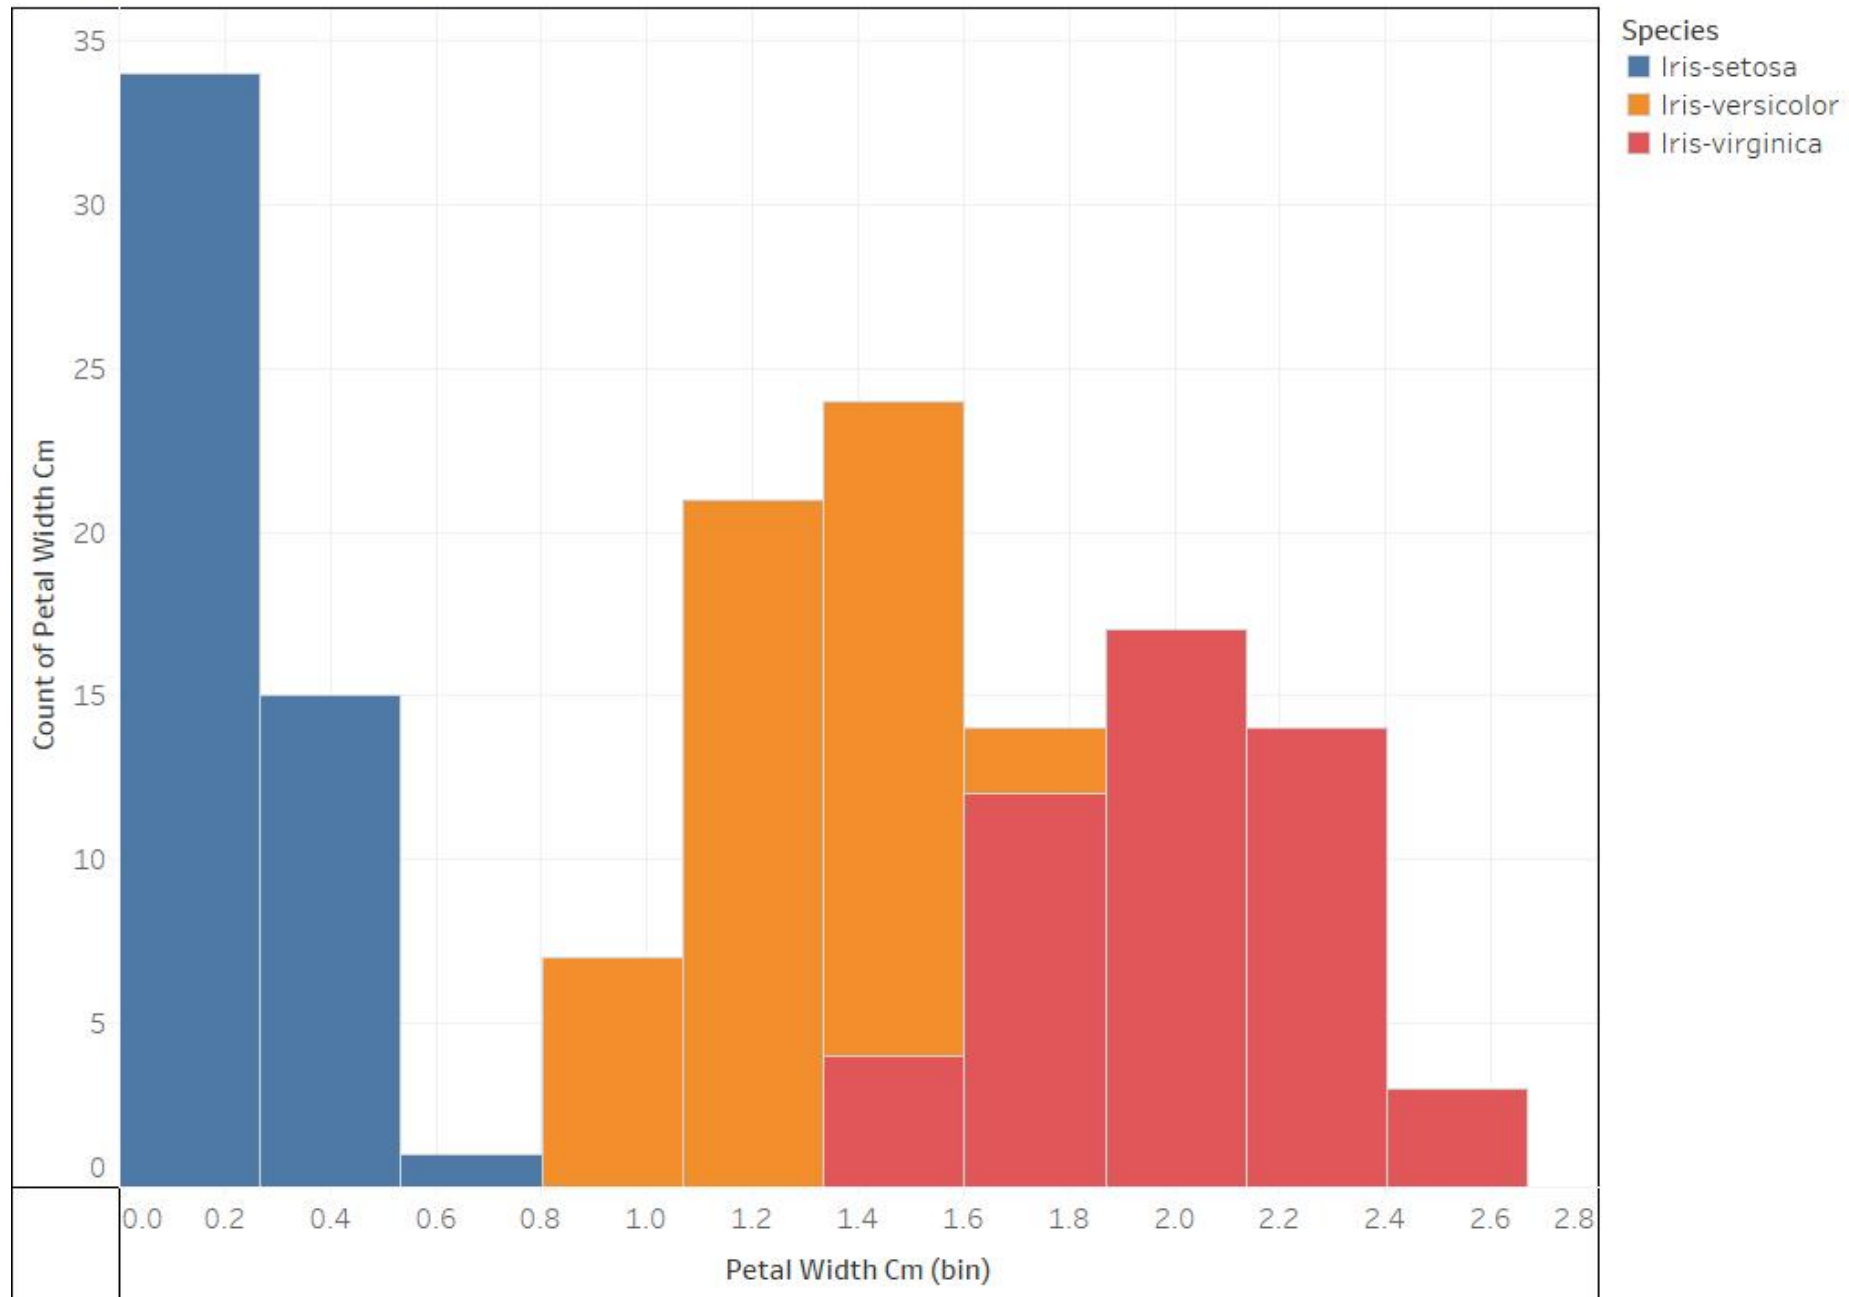

The trend of count of Petal Length Cm for Petal Length Cm (bin). Color shows details about Species.

Frequency Vs Sepal Length

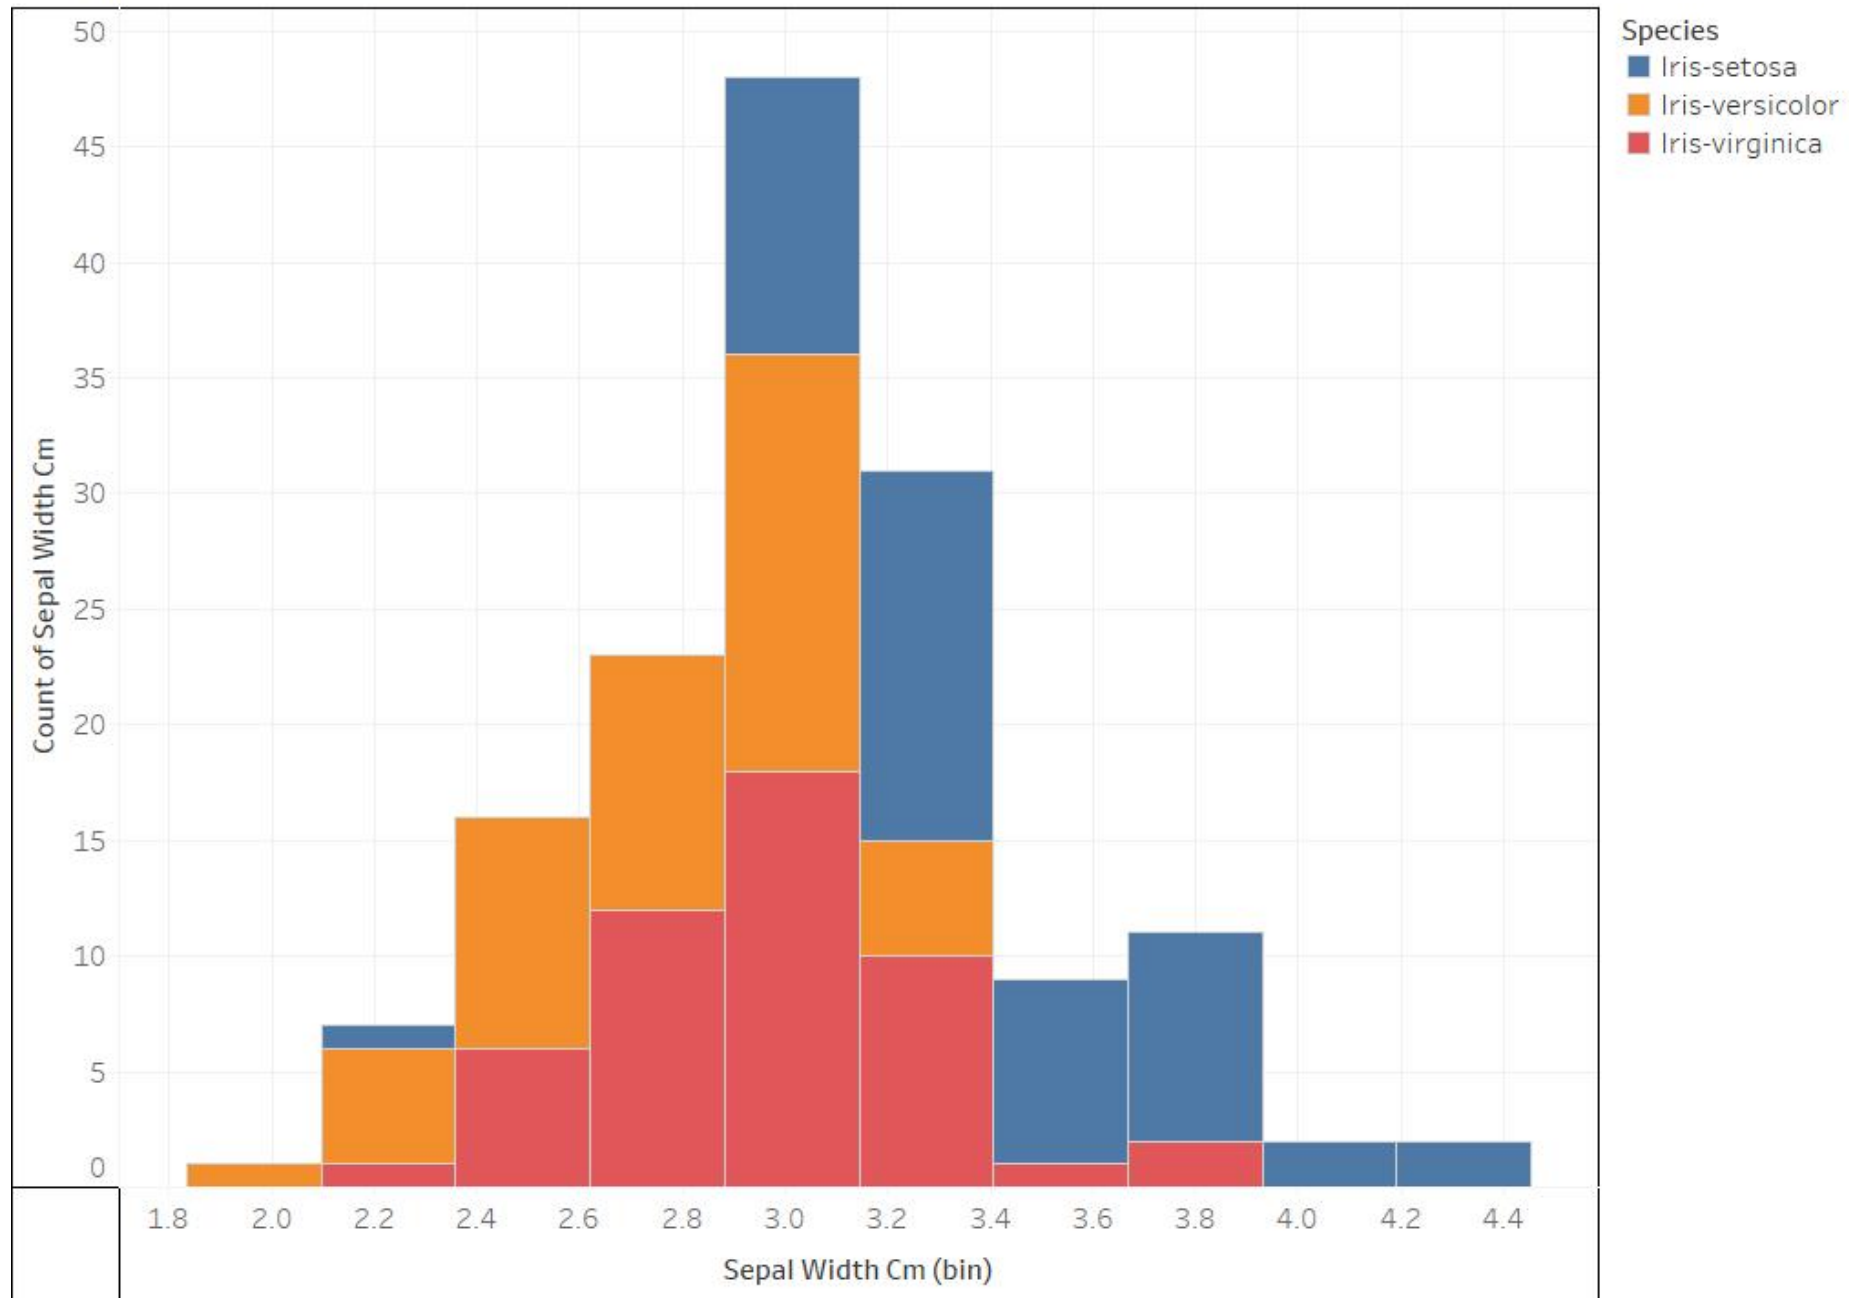

The trend of count of Sepal Length Cm for Sepal Length Cm (bin). Color shows details about Species.

Frequency Vs Petal Width

The trend of count of Petal Width Cm for Petal Width Cm (bin). Color shows details about Species.

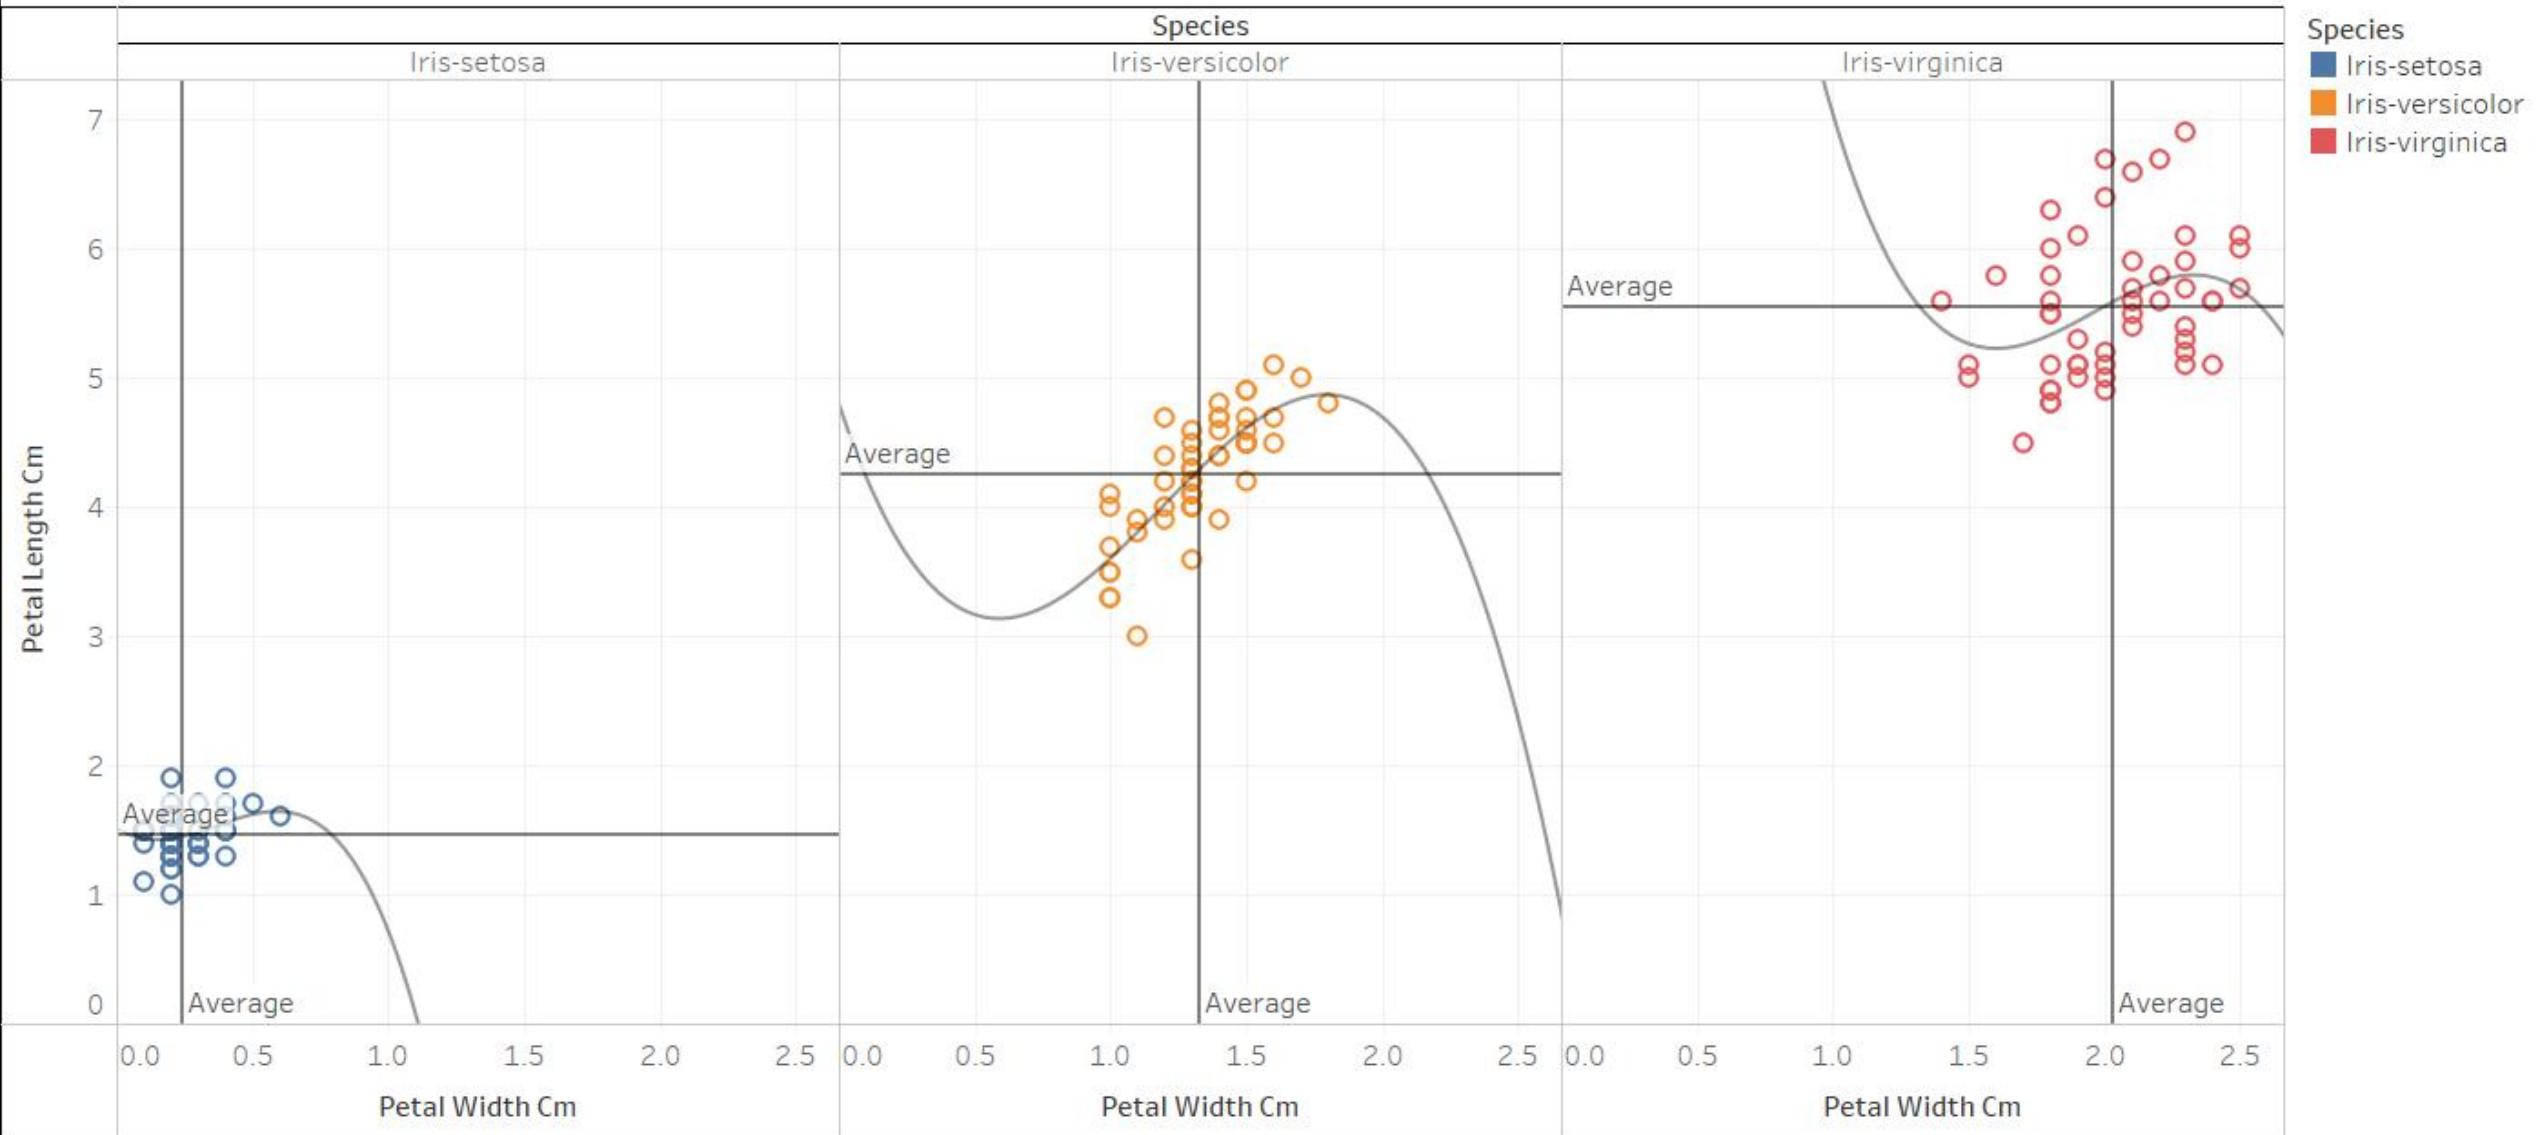

Frequency Vs Sepal Width

The trend of count of Sepal Width Cm for Sepal Width Cm (bin). Color shows details about Species.

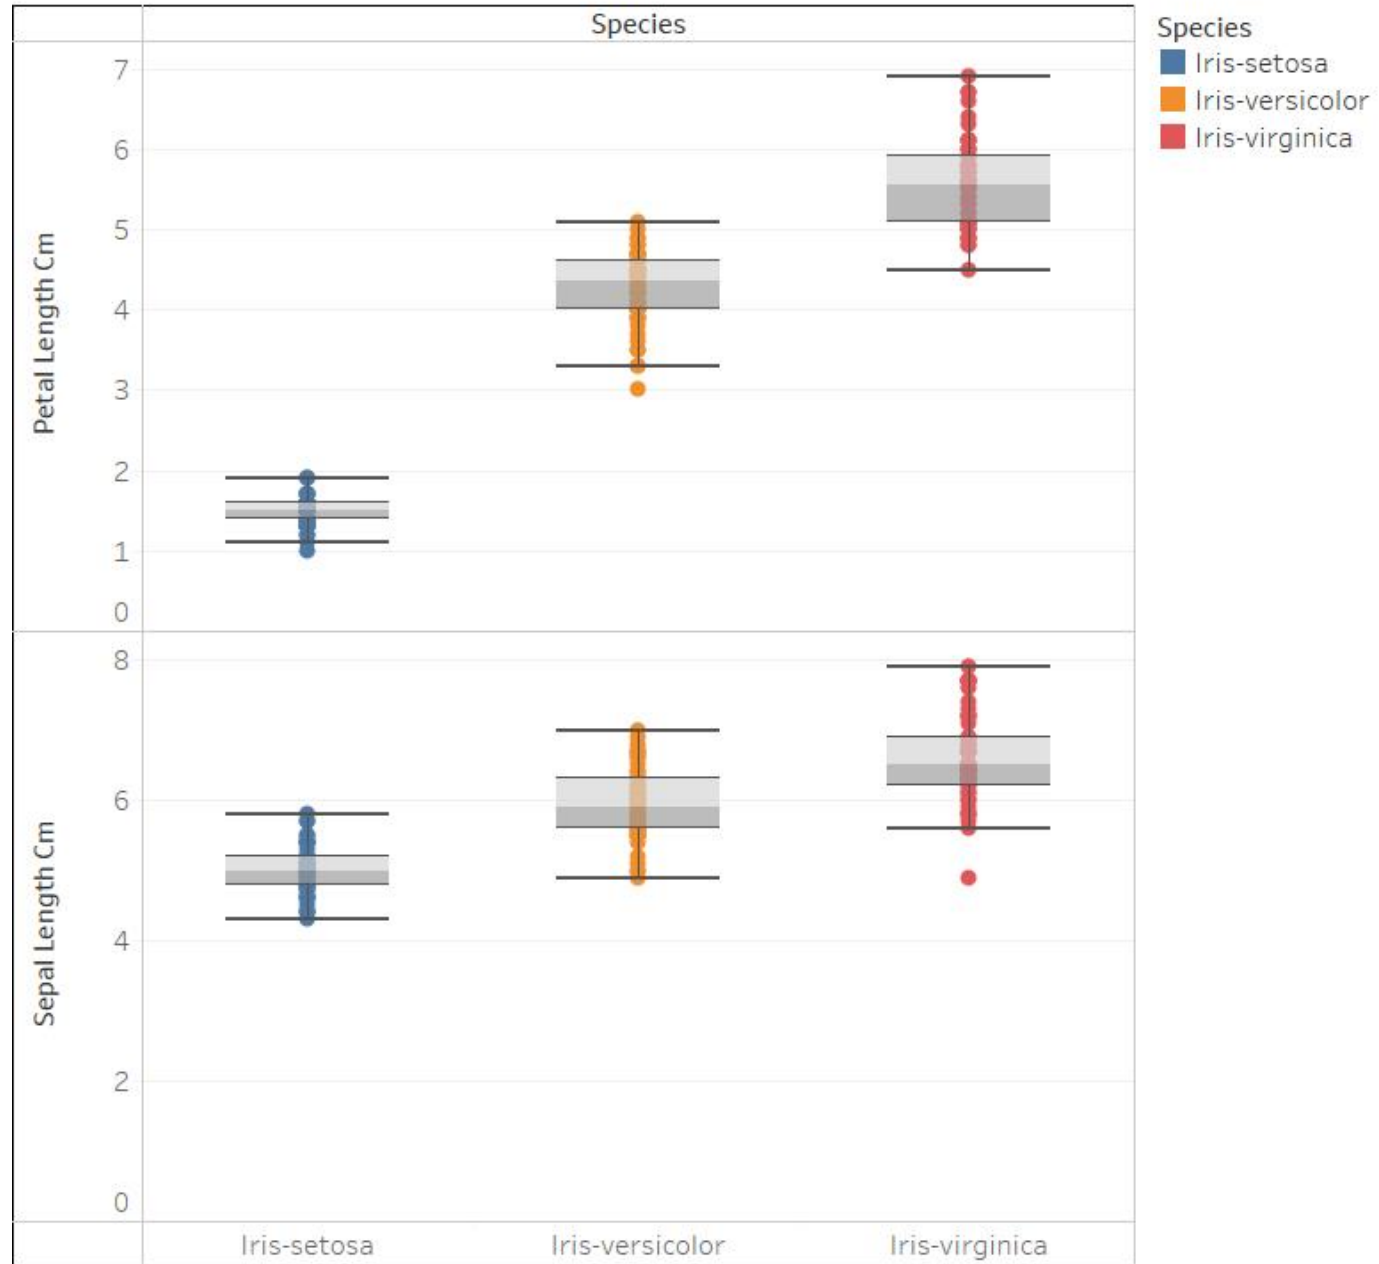

Length Vs Width

Trend Lines

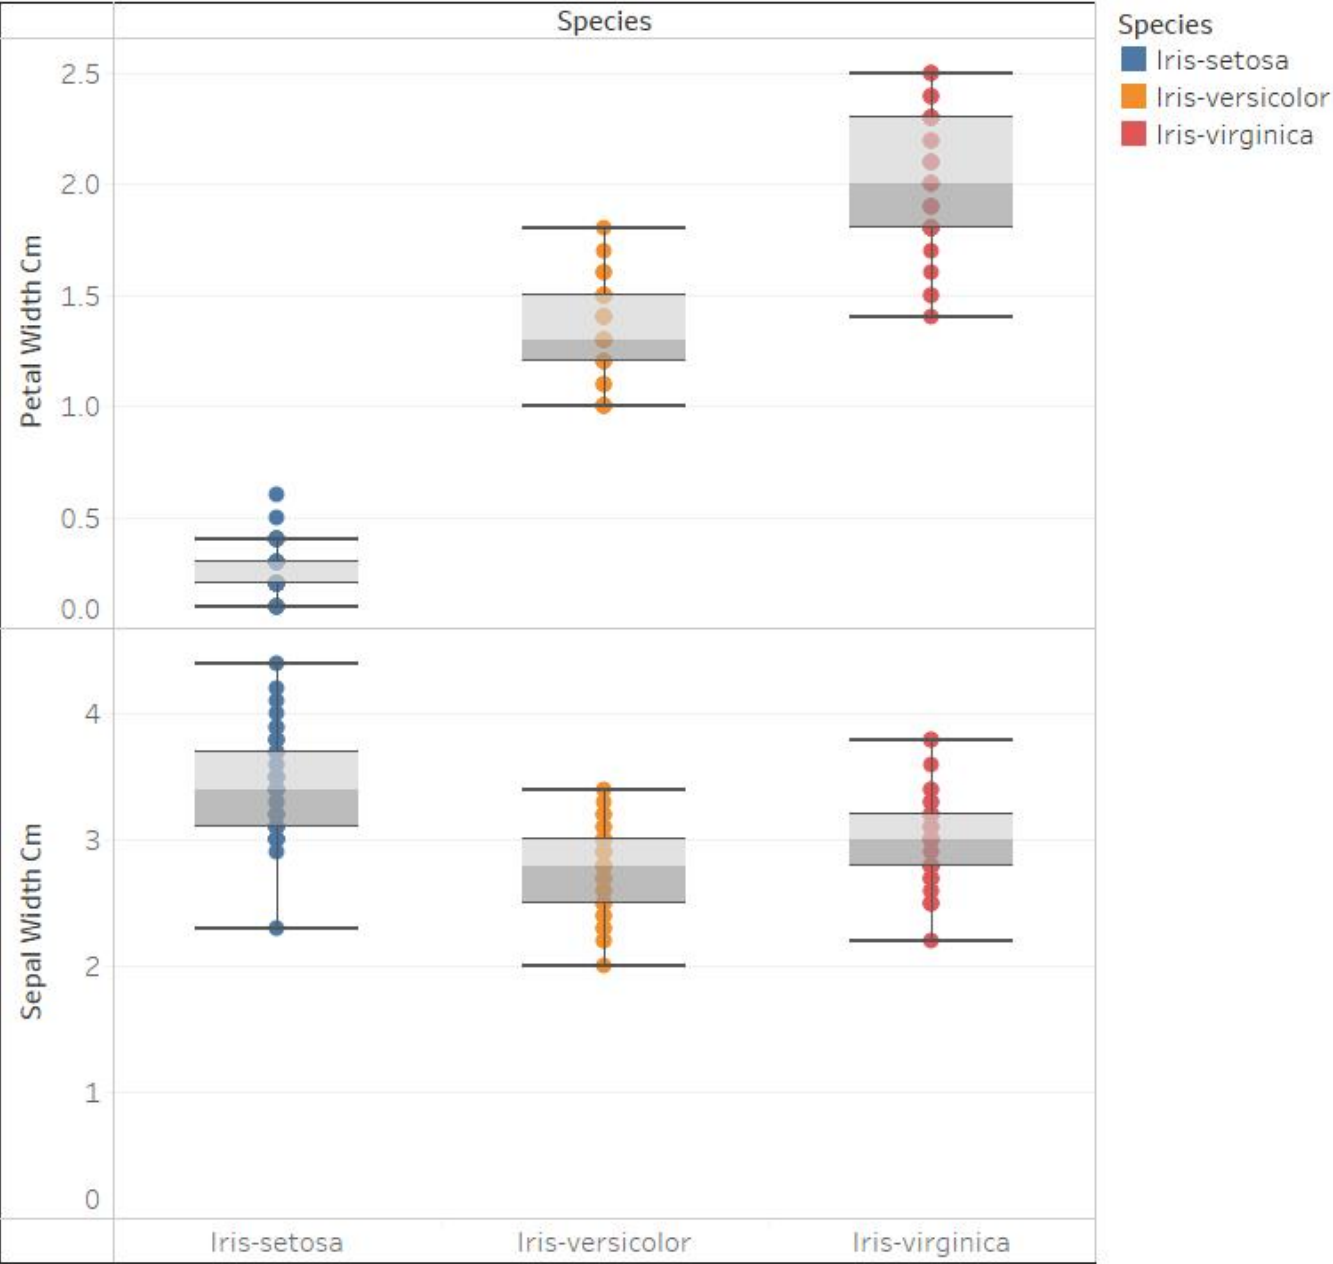

Petal Width Cm vs. Petal Length Cm broken down by Species. Color shows details about Species.

Length's Statistics

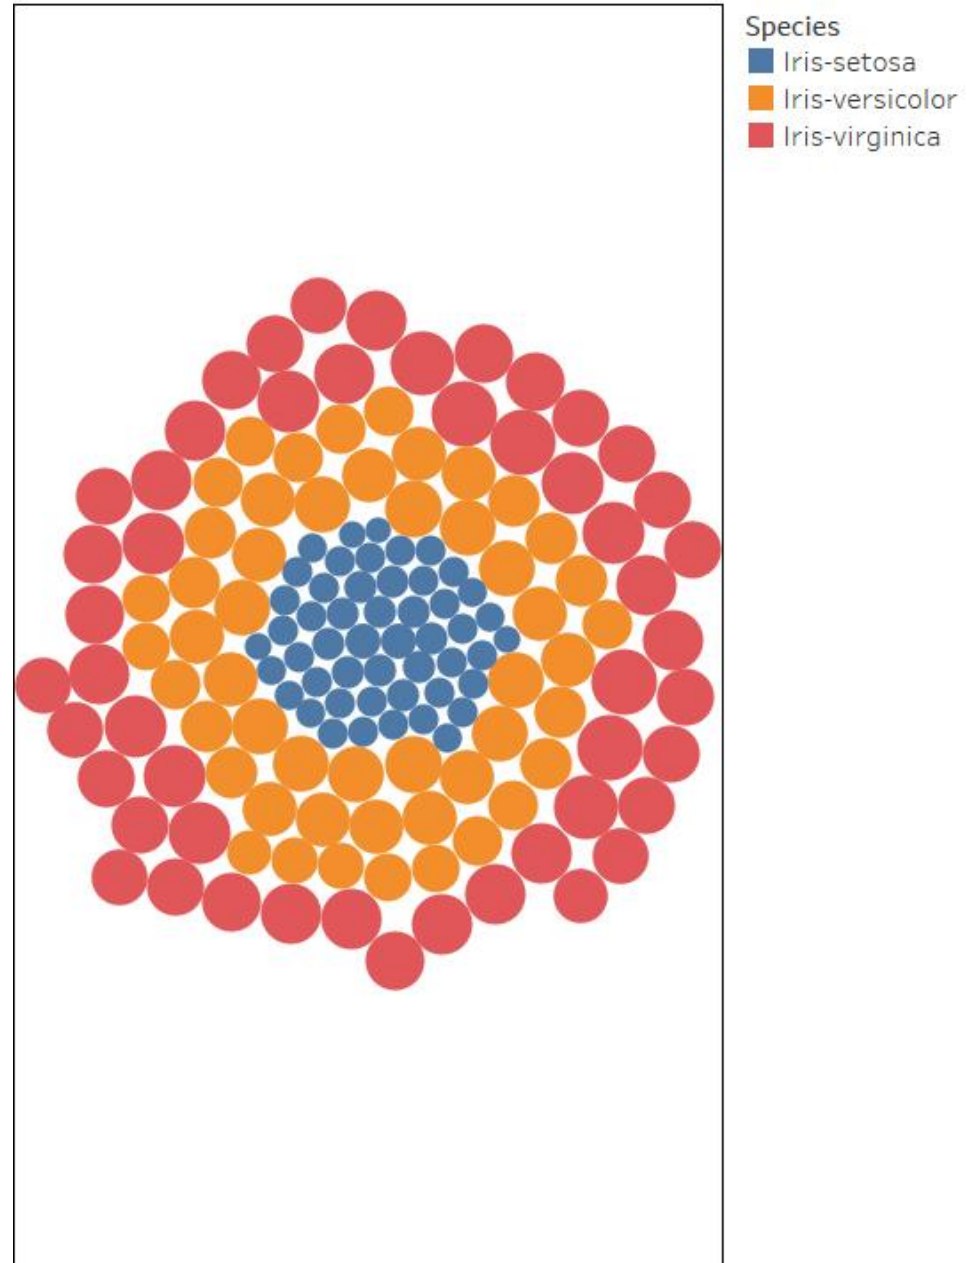

Petal Length Cm and Sepal Length Cm for each Species. Color shows details about Species.

Width's Statistic

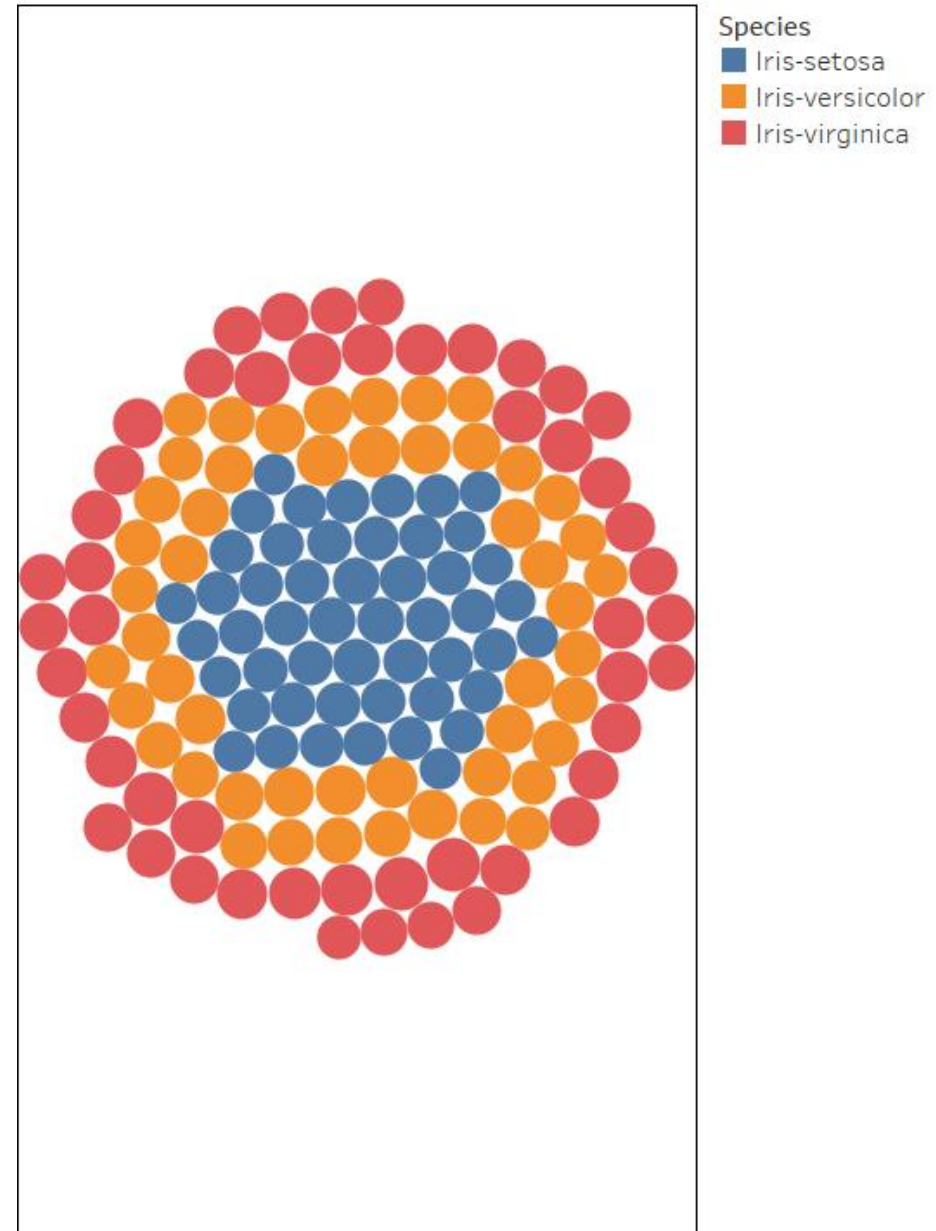

Petal Width Cm and Sepal Width Cm for each Species. Color shows details about Species.

Species Petal Length

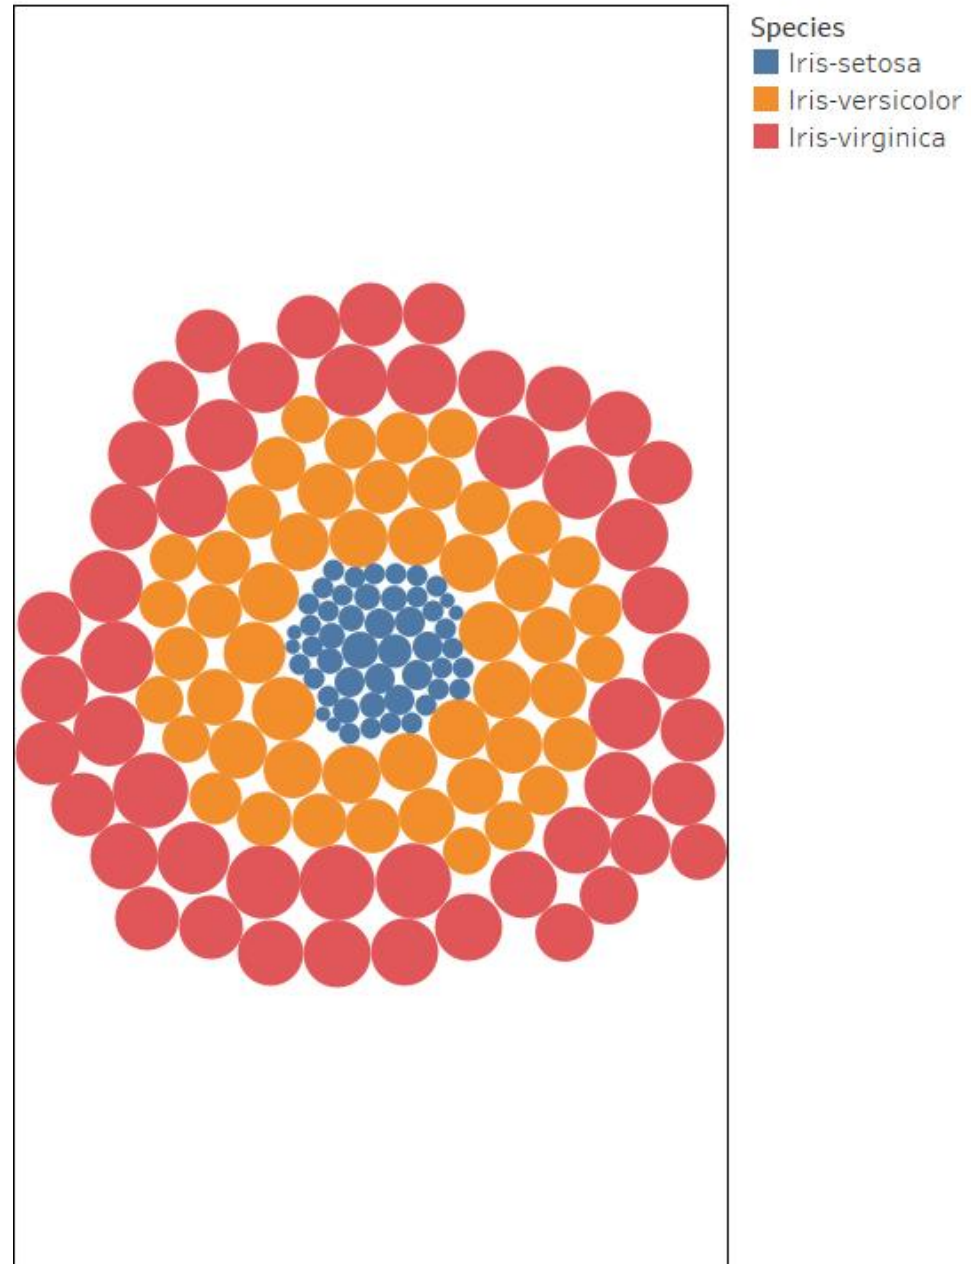

Species Sepal Length

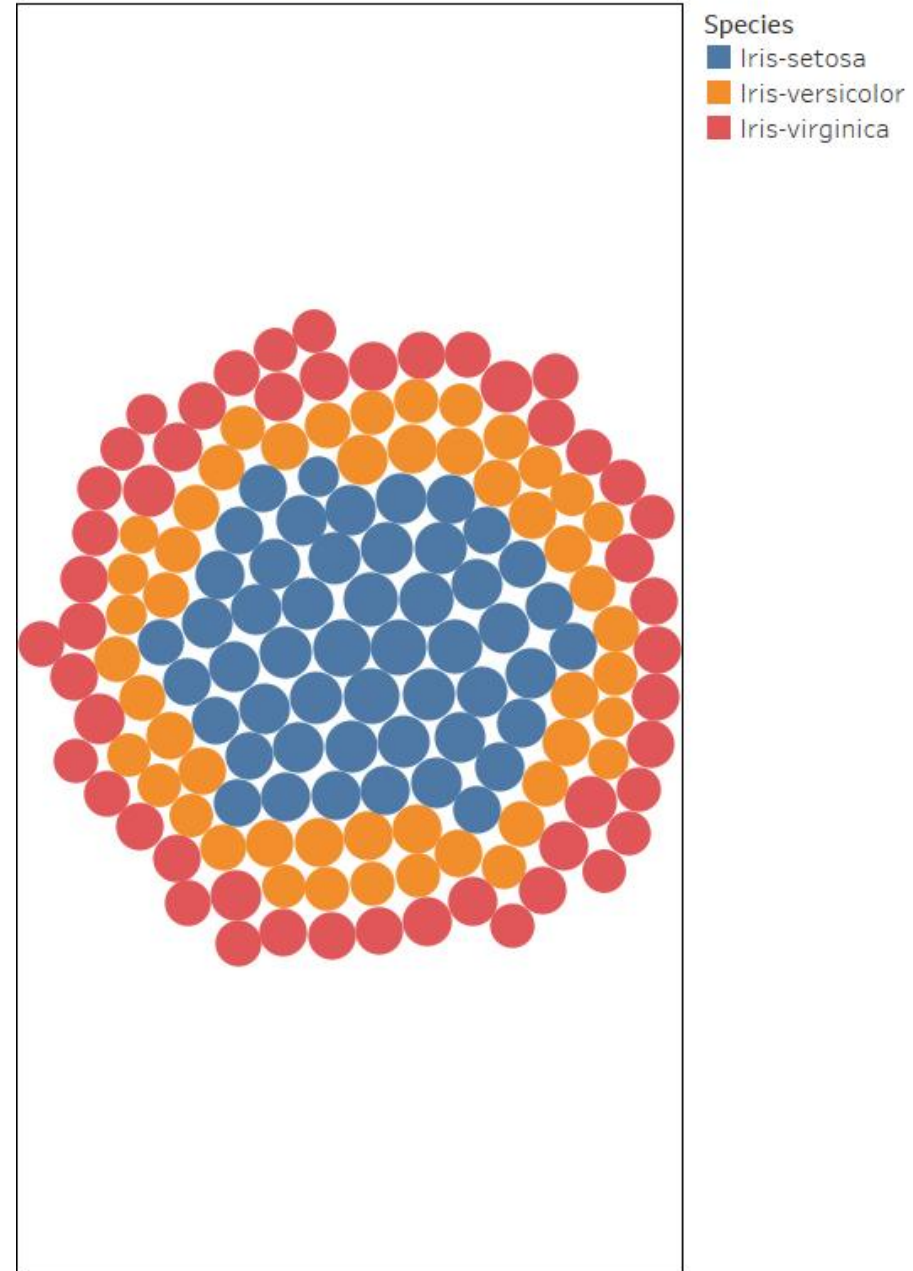

Species. Color shows details about Species. Size shows Sepal Length Cm. The marks are labeled by Species.

Species Petal Width

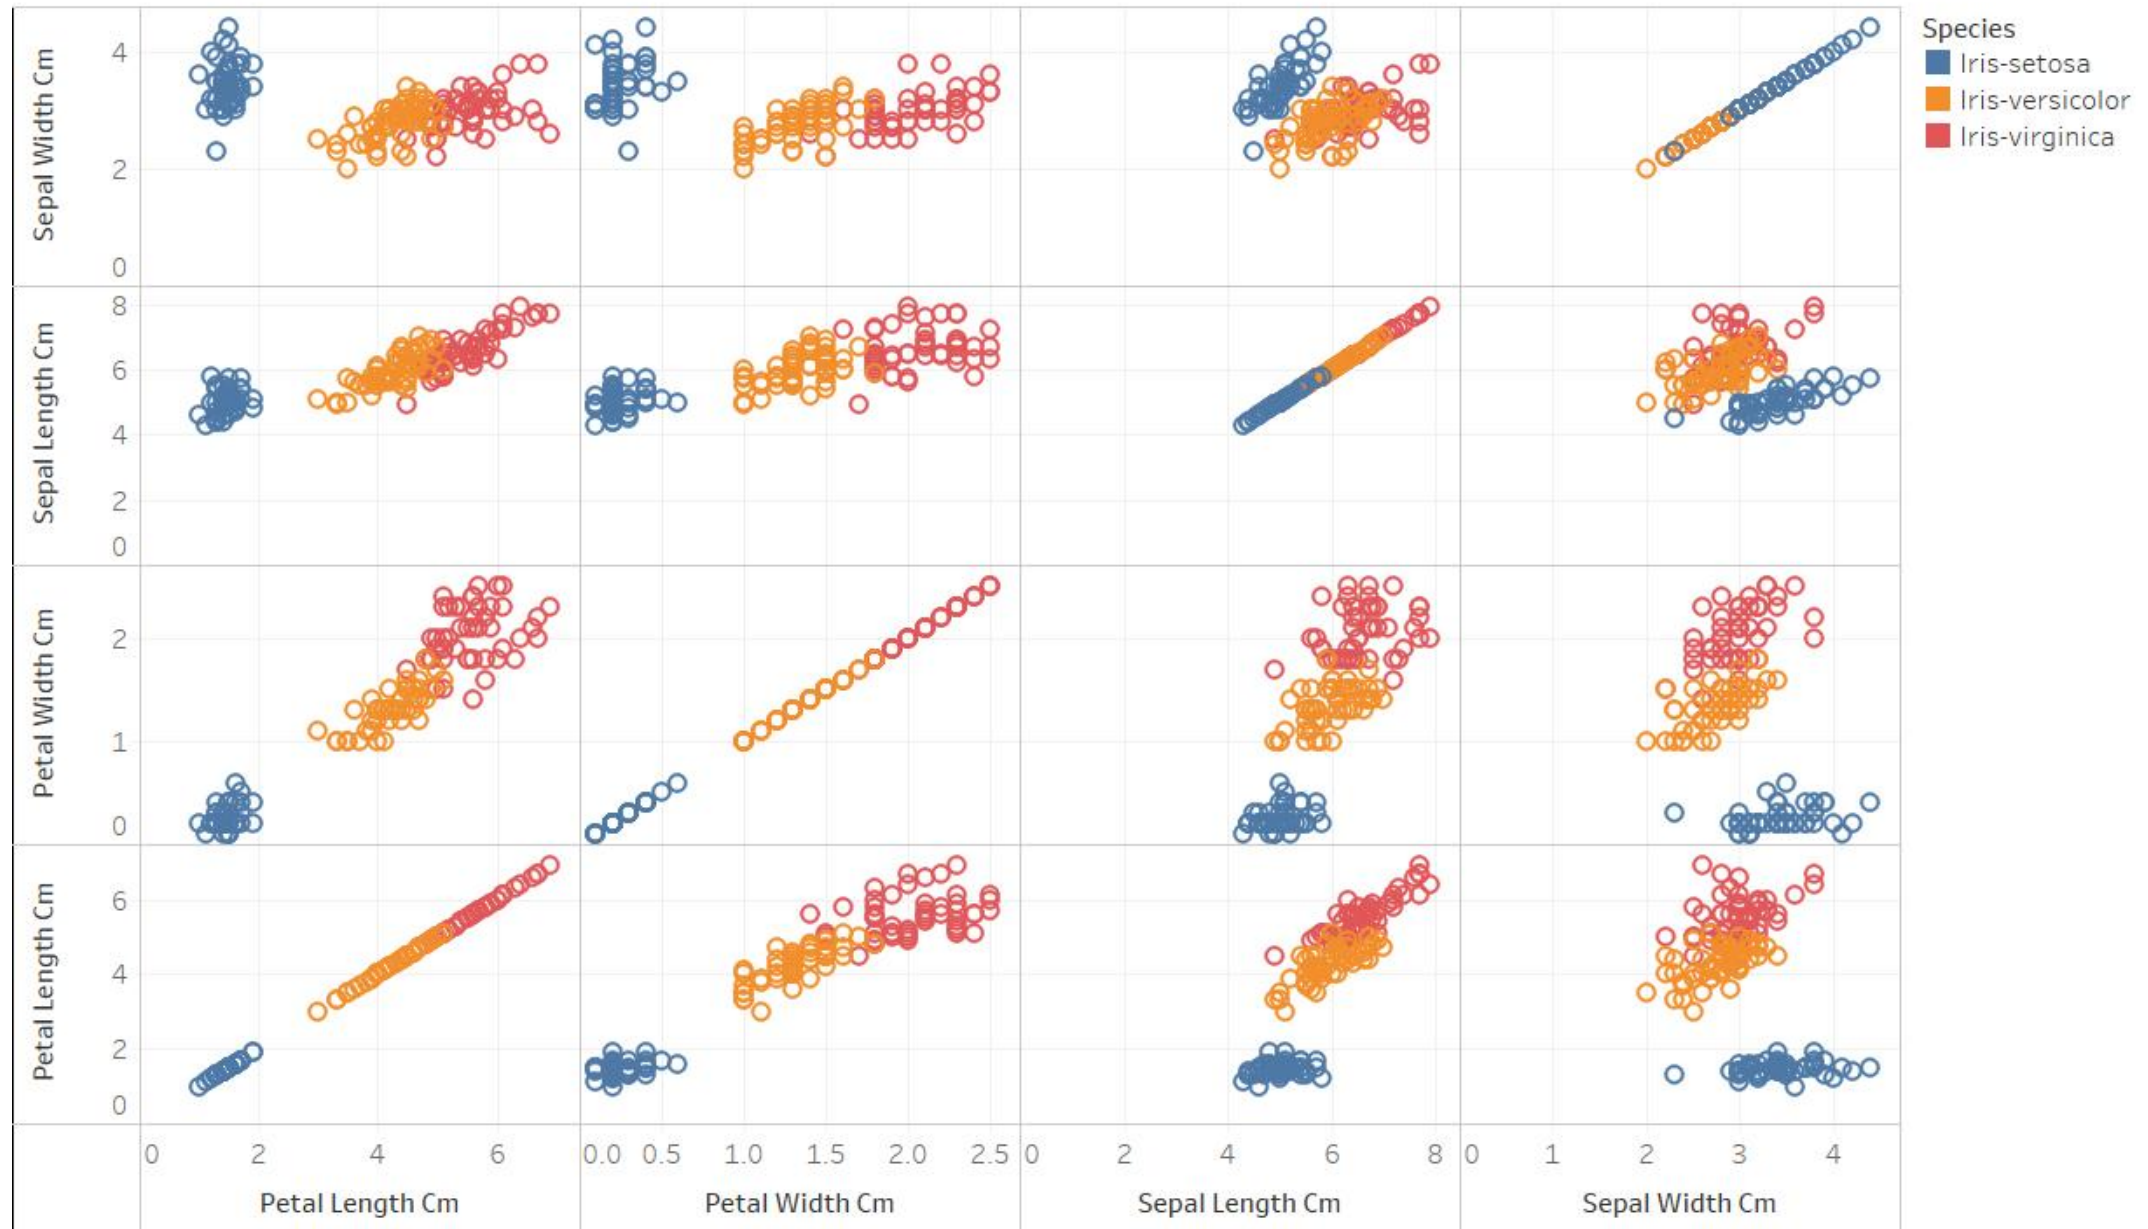

Species. Color shows details about Species. Size shows Petal Width Cm. The marks are labeled by Species.

Species Sepal Width

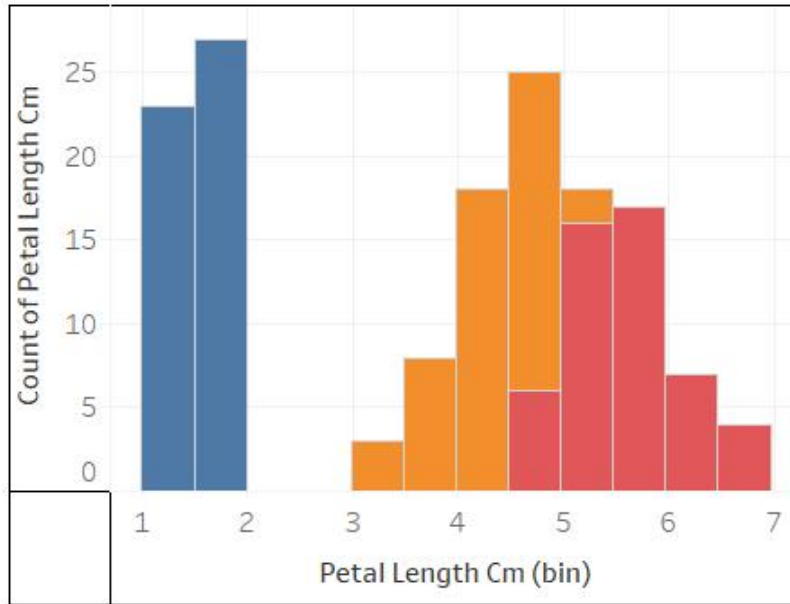

Correlation Matrix

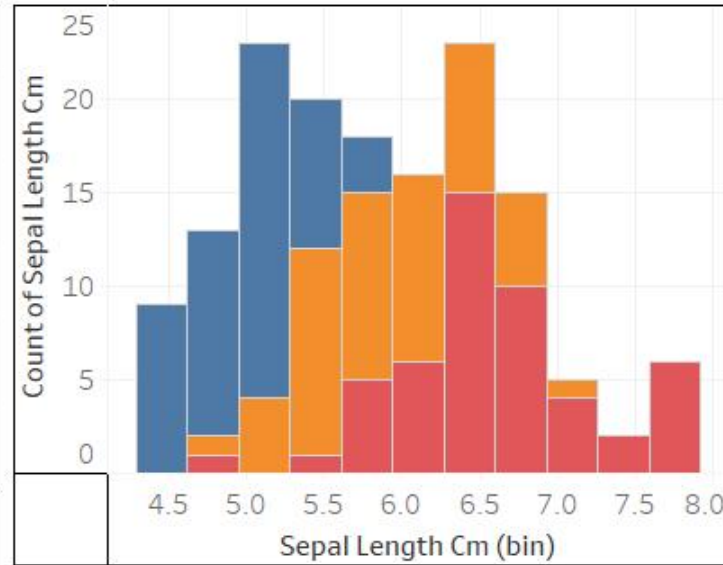

Petal Length Cm, Petal Width Cm, Sepal Length Cm and Sepal Width Cm vs. Sepal Width Cm, Sepal Length Cm, Petal Width Cm and Petal Length Cm. Color shows details about Species.
